THE UNITED METHODIST CHURCH

PHOENIX AREA

PHOENIX, ARIZONA 85014-4040

A word from our Bishop dated May 22,2020.....

Dear Members and Friends of the Desert Southwest Conference,  
This afternoon, words spoken from the White House mandated that churches open this weekend for worship. Houses of worship were deemed “essential,” and governors of the

states were told to allow churches and places of worship to open this weekend. Our churches have always been open. Our buildings may be closed but the laity and the clergy of the Desert Southwest Conference have worked diligently to ensure that ministry in the name of Jesus Christ continues. Worship in new ways has blossomed; lives are being touched, and our mandate to spread the good news has never been more crucial. The Church is alive! The day will come when we will be safe to resume in-person worship and gatherings. We hope and pray for that day to come. But we are not yet ready to open our churches for in-person worship or gatherings. This week, you received information outlining the steps we need to take to get ready for resuming on-site ministry. I ask you to begin the work of preparation so that when it is clear that we are safe to return to our churches, we will have done the necessary preparations to do so safely. You can revisit the latest update that contains the link to the resource that you will need. (<https://dscumc.org/church-opening-guidelines/>) In the meantime, I affirm what we already know in our hearts and have experienced in these days of separation from one another. The church is the body of Christ! And “in the one Spirit we were all baptized into one body. . . and we were all made to drink of one Spirit” (I Corinthians 12:13). Sometimes, the different parts of the body may not be able to connect in person. That is the case of the body of Christ today. But let us remember that even if we are not presently able to be physically connected with one another, the Spirit of God connects us spiritually with one another in the name of Jesus, our Rock and Redeemer. With patient trust in God, who is always with us, let us hold one another and our communities in prayer as we continue to be the body of Christ united in hope!  
In Christ,  
Bishop Bob

## Health Ministry

We continue to live with the threat of the virus COVID-19 in our everyday lives here in Gilbert, Arizona and throughout the world. Some states are easing off the Stay Home order. It has been months since we have been able to sit down and eat in a restaurant. We are able to order and takeout or drive through. With all of this some of us have more time to make healthy food choices and to cook more. I have noticed that while some grocery store shelves are empty of toilet paper and cleaning products, the produce is often beautiful and well stocked.

Going to the gym is out of the question now so many find new exercise dancing with the kids while home schooling at the same time. Things will get better. Some things will have changed forever because of the impact of this virus. Keep praying and keep following the guidelines set out by the CDC and the Arizona Department of Health.

### GUIDELINES FOR ALL PHASES: INDIVIDUALS

Peace be with you,

## Update on VBS 2020

Dear VBS friends,

Thank you for your patience as we have followed the COVID-19 situation in regards to our VBS program. We are so sad to make this decision, at this time we feel we cannot run our VBS this year.

Our church does not have a date scheduled to open at this time. Our Desert Southwest Conference leadership continues the suspension of all in-person gatherings as part of following the CDC's guidelines. With this in effect, the date is still too soon to meet the needs to run VBS effectively. We are all so heartbroken by making this decision. Please know we miss you all already!

We have also made the decision to not run a digital version of our VBS. We love the curriculum so much we would like to save it for next year and just make it amazing when we can meet again in person!

Thank you all for your understanding during this time. We will continue to pray for all of our families as our world slowly comes back into some sort of order that we recognize. Please know that you are all in our thoughts and prayers and we cannot wait until next year when we have the biggest party ever at our VBS!

Blessings,  
Janelle Chiricuzio

## A letter concerning changes at the Preschool .....

### Goodbye to Adrienne Mesa

I wanted to take a minute to let you all know about some staff changes in the preschool that will begin June 1st. After twelve years working at the preschool, I have taken a full time teaching job for the 2020-2021 school year. FUM of Gilbert church and preschool have been a huge part of my life for the past fifteen years when my oldest daughter attended PreK. Now that I have two of my daughters in college and my youngest a junior next year in high school, all of them very independent, it's time for me to return to work full time. My time here has been a huge blessing, full of love, growth, challenges and friendships. I will always keep the church, staff, preschool, and congregation in my prayers.

Lora and I have been in communication with Pastor Rick and have promoted several staff members into additional roles to take over my responsibilities.

Betsy Marlinga, who has been part of the preschool staff for over ten years, will continue to teach PreK but will take over administrative duties. She will write the evangel articles, do room requests, organize the preschool monthly mission and will supervise preschool special events and social media along with Lora. Her email is [marlinga@gilbertumc.org](mailto:marlinga@gilbertumc.org)

Kari Green will continue to teach PreK as well as take over social media and managing the website. [green@gilbertumc.org](mailto:green@gilbertumc.org)

Kari will also be coordinating special events along with Shannon Slater who teaches T-Th 3s and lunch bunch. [green@gilbertumc.org](mailto:green@gilbertumc.org) [slater@gilbertumc.org](mailto:slater@gilbertumc.org)

Sarah Metz, church member and PreK aide, will take over the chapel lessons on Monday and Tuesday.

Tiffany Scharff, church member, Parent Tot teacher and 3s aide, will manage the preschool garden. If there are any questions, please don't hesitate to reach out to Lora or myself. I have the utmost confidence in the preschool staff and know that the preschool and church will have many wonderful years moving forward!

Many blessings,

Adrienne Mesa

and  
Good Luck

## Summer 2020 Children's Ministry What's Happening?

### Preschool and Kinder

June and July are all about what we can spy with our little eyes. Get ready for I Spy! It's a great theme and we focus on the things that help us believe in Jesus! We are helping preschoolers see so they can believe in Jesus.

We will have one key question and bottom line for June and July. We don't think we can say these too much. They are that good. Get ready to ask, "who can believe in Jesus" and respond with, "I can believe in Jesus," over and over again. Our hope is that each of your preschoolers will have the truth that they can believe in Jesus with them forever.

### Mission:

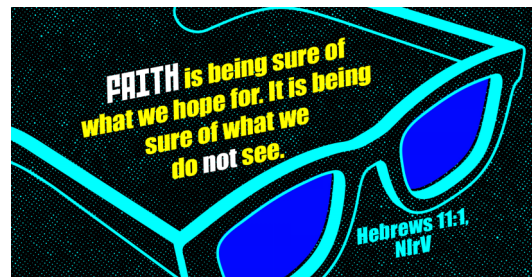

We will start collecting for the food bank!! Bring in canned food or cereal for our local food banks!

### 1ST-6th Graders

God has always been involved in the world He created. We see His handiwork on display in creation. We see God's love on display through Jesus, who came to rescue us. We respond to God in faith, believing in what we can't see because of what we can see. When we focus on what we know to be true about God and the world God created, we can have faith in what we can't see or fully understand.

### Zoom Sunday School Schedule

preschool/kinder 8:30-9

1st-3rd 10:45-11:30

4th-6th 11:30-12:15

### Wednesday Wilds

We will take a break for summer but we can't wait to come back and see everyone in our new space!!

## **Summer Camp at Mingus Mountain**

Dear Friends, Family and Community of Mingus Mountain and Potosi Pines:

Among the many difficult moments we have faced in the last few months, today we share one that is especially difficult: after what feels like an eternity of carefully following and evaluating the evolving COVID-19 situation, the Desert Southwest Board of Camping has reached the heart-breaking, difficult, and values-based decision to suspend summer camp sessions for the month of June. This includes all Desert Southwest camp sessions, as well as guest camps, at Mingus Mountain and Potosi Pines from now through July 4th.

### Coming to this Decision

We arrived at this difficult conclusion after receiving guidance from a myriad of available authorities including the Desert Southwest Conference guidelines for reopening, the White House Reopening Plan, and the CDC guidelines for schools, day cares and churches. Ultimately, we determined that there are simply too many risks – both known and unknown, to hold our summer programs as usual.

Although we have continued to plan, prepare, pray, and hope for another transformative summer, the risks posed by COVID-19 threaten our most sacred treasures: the health and well-being of our children, staff, and volunteers that attend camp, along with their communities back home.

These risks also compromise our ability to provide the excellence in programming and participant care for which we strive. Considering worshipping, meals, campfires, recreation and Bible study with all participants at a 6-foot distance is untenable. Not to mention, required face-coverings and the narrow focus on “no sharing” would inhibit the opportunity for connection. Additionally, campers, staff, and volunteers with asthma, respiratory conditions, and other health challenges would be extremely vulnerable, resulting in their potential exclusion from our communities and thus contradicting another one of our core values – inclusion.

### Next Steps

First, the good news: we may potentially be able to offer summer camp programs at Potosi Pines in July and Mingus Mountain is hopeful we'll open for our guest groups at the same time. The Board of Camping and camp staff will continue monitoring and assessing the situation and will decide about July by the beginning of June.

In the meantime, we recognize that this is a time of financial stress for many families and we'd like to offer the following options for those of you who have already made payments for summer camp 2020:

Transfer your deposit to a camp experience later this year or in 2021

Receive a refund for payments made towards summer 2020

Offer your deposit or payments as a sustaining gift to Mingus Mountain or Potosi Pines

As we work our way through what may feel like a lost summer, please know that we are still actively looking at opportunities to bring the joy and message of camp to as many people and communities as possible this year. We hope to open our sites to families once we enter “Phase 2” for hiking, camping and retreating opportunities. Be on the lookout for information regarding family opportunities in the coming days. If a reduction in restrictions occurs quicker than we anticipate, we may consider more programs that look like the camp we are used to.

In the meantime, you are encouraged to talk with your camper about this news. To assist with those conversations, we’ve provided the attached document, “Tips for Talking to your Camper About Camp.”

As we move through these unprecedented times, we ask for your prayers and continued support. Our love and prayers go out to each of you—our campers, our families, our supporters and friends.

In Christ,

The Desert Southwest Conference Board of Camping and the Leadership Teams at Mingus Mountain & Potosi Pines

## Missions Updates June 2020

Almost 100 “Blessing Bags” were distributed to our congregation to keep handy in their cars. These are to hand out to homeless folks. Among other items, they contained water, hand wipes, Bibles, a list of resources and granola bars.

The UMOM Walk to End Homelessness which had traditionally been held in September was scheduled for April 2020 this year. Due to the pandemic, it has been postponed until September 19.

Family Promise made the decision to keep families on their campus during the COVID-19 pandemic to protect congregational volunteers. We were asked to continue to provide meals each night. Most of the meals were supplied by individual volunteers, but a few nights needed to be subsidized by the Missions fund as well as the usual breakfasts and lunches we purchase. Many thanks to DyAnn O’Brien for coordinating!

The annual Easter basket campaign was also affected. Pastor Diamond put together Easter bags for the children staying at the Family Promise Shelters. Backpacks and purses were given to parents as well. Many thanks to DyAnn We had planned to provide Adrianna Hernandez’s church in Globe & also Sidewalk Sunday School with 100 bags. However, we scaled back to approximately 20 bags due to difficulty collecting contents, assembling and distributing them.

Snacks the congregation donated to Gilbert Elementary School were given to families to take home when it was announced that the schools would remain closed for the remainder of the year. The school Social Worker indicated that many families are in great need of assistance. The Missions Committee voted to purchase \$150 in Fry’s gift cards to assist them. Anyone wishing to donate gift cards or gently used books, please contact Elice Province at 480-529-2687.

Our hopes are to resume collections when the campus reopens. Keep an eye open for updates.

### Mothers Day Purse Drive

Our Mother’s Day Purse Drive was smaller than usual due to Covid and our inability to collect donations at church. However, it was still a success! We donated 24 purses packed filled with goodies. This year we gave the gifts to two organizations. We were able to make Mother’s Day a little brighter for women through UMOM and Family Promise.

**Thank you First Gilbert UMC!!!!**

**Mark your calendar for these other upcoming events:**  
( all small groups are contingent on the CDC recommendations.)

**Summer Camp at Mingus Mountain**

This is a camp run by the Desert Southwest United Methodist Conference. All camps at Mingus Mountain camps are canceled at this time due to covid 19.

**Thank you to everyone who donated to the Gilbert Feeding Families community food drive last weekend.**

Together, (at all 13 donation sites ) we collected nearly 85,000 pounds of food and \$32,000 in Thank you to everyone who donated to the Gilbert Feeding Families community food drive last weekend.
