In Memory of Norma Josephine Asplin

(submitted by the family of Norma Asplin)

Norma “Jo” Josephine Asplin, age 82, passed away April 10, 2021, surrounded by her family. She was born in Evanston, IL, the daughter of Louis Fredric and Evelyn Mae (Johnson) Kludy.

Jo graduated Valedictorian from Marshfield High School, Class of 1956. Following graduation, she married her high school sweetheart Keith Herbert Asplin and settled in Madison, WI. While Keith completed his college education, the first four of her six children were born to them. After Keith received his PhD, she gave birth to another son, then they moved to Colorado where her youngest son was born. She was always active in her church, was a Girl Scout Leader, a Cub Scout Leader, active in the PTA, various clubs, and other organizations. She was also a foster mom to two high school girls.

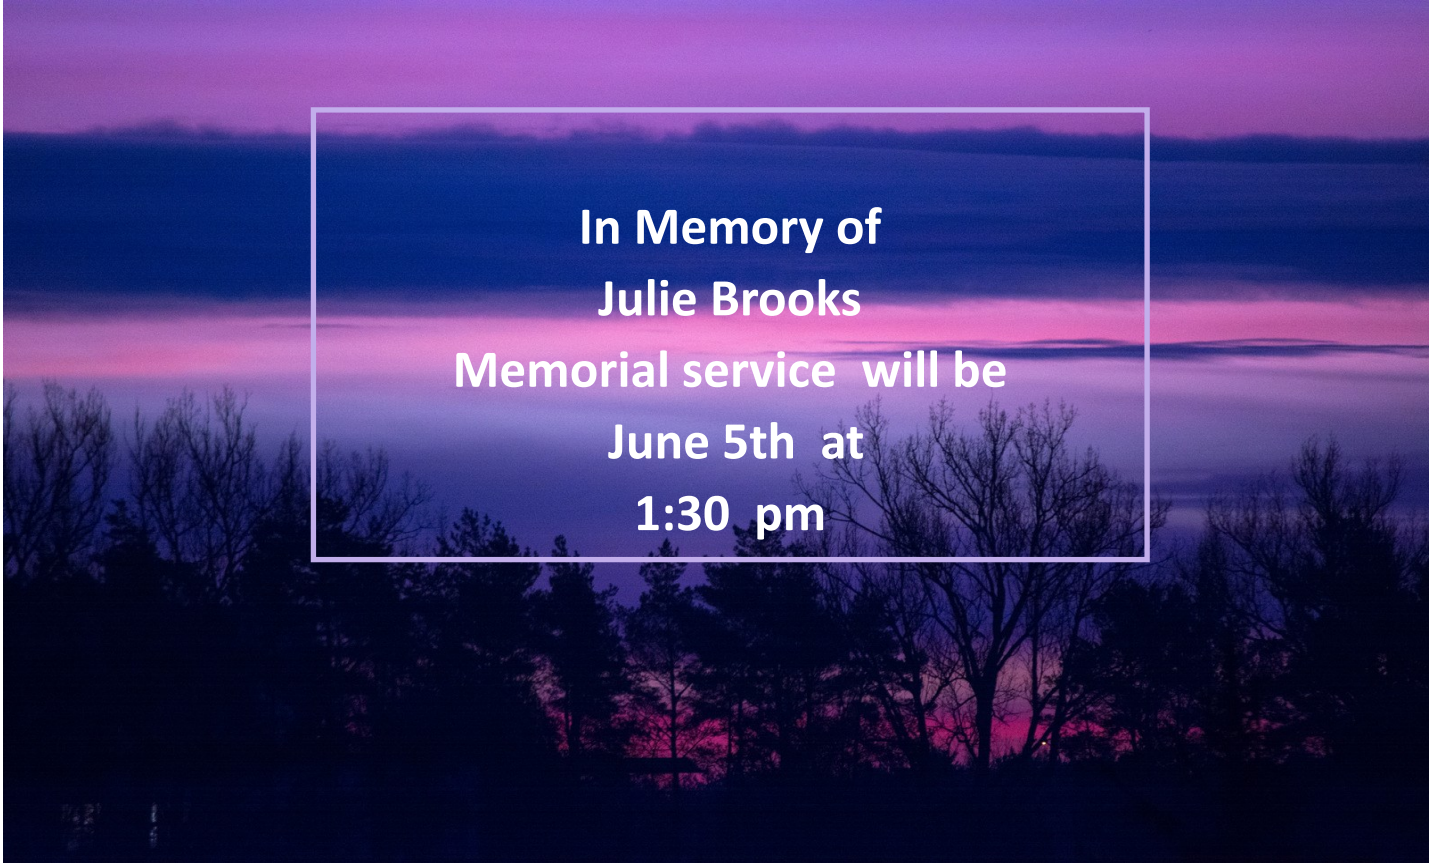

Well known for keen intellect, Jo chose to go back to school to complete her post-secondary education at the University of Colorado, where she graduated Summa Cum Laude from the Master of Science Program and went on to become a Child Health Associate/Physician Assistant. She began her career in Lakewood, CO, studying the effects of Ultrasound and she excelled as a CHA/PA at Women’s Hospital in L.A. caring for premature babies, and then as part of the Didactic Studies Leadership Team for the PA Program in Seattle, WA.

Jo and Keith lived all over the country, including Wisconsin, Michigan, Colorado, California, New York, Georgia, and Washington before finally landing in Gilbert, Arizona where they enjoyed their much-deserved retirement and celebrated 63 years of marriage. Jo made many friends and continued to be active in her church.

In addition to her parents, she was predeceased by a son, Michael Asplin and his son. She is survived by her husband, Keith Asplin, her daughters, Laura Asplin; Jennifer and her husband Robert Argyelan; her sons, Terence and his wife Faranak (Habibi) Asplin; Christopher and his wife Kirsten (Lee) Asplin; Gregory and his wife Kristen (Rangel) Asplin; her daughter-in-law Karla Kay (Tracy) Asplin; her brother Fredric Kludy; Sister Marcie and her husband Richard Lauterbach; eight grandchildren, three great grandchildren, many nieces, nephews and friends.

Family Promise June 20 - 27

With the support of area faith congregations like ourselves, Family Promise provides housing, food, childcare, employment counseling, financial assistance and even a pet sanctuary for families with children who are experiencing homelessness. The need is great for our help, especially during the hot summer months.

FUMC of Gilbert will provide 3 families with food and lodging on campus the week of June 20 - 27. We have COVID protocols in place to keep volunteers and families safe. We need volunteers to provide food for meals, serve and clean up dinner, stay overnight and do laundry. **We especially need volunteers who are willing to stay overnight. We will have a private host room with a comfortable bed ready for you! You will be done by 6:00am the next morning.**

Please click on the Sign-up Genius link on the First Gilbert UMC website to see how you can help us give families the hand-up that they need to get back to self-sufficiency. To learn more about this life-changing program visit www.familypromiseaz.org or email DyAnn at dyannob@gmail.com.

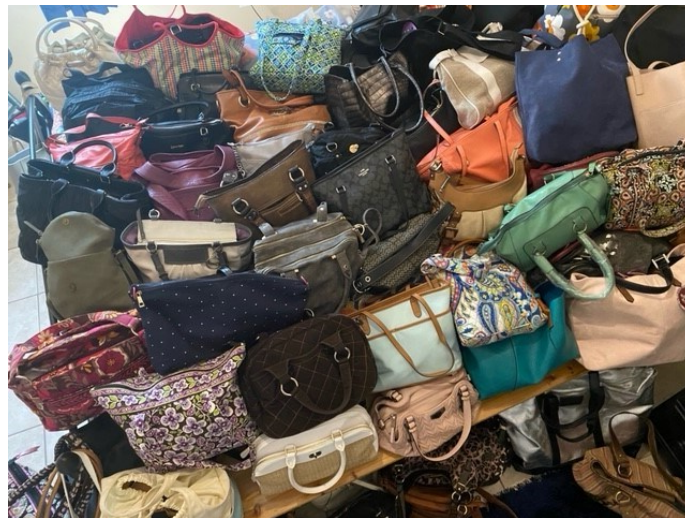

Food Drive Results

Last Month we participated in a community wide Food Drive through Gilbert Feeding Families and United Food Bank. As a church we collected two full bins of food, but since we were partnered with 23 other organizations across the town, together we collected 61,167 lbs. of food and \$12,308 altogether. This provided over 112,000 meals for families in need! So thank you to all those who donated, and thank you so much to all those who volunteered. Thank you to all of you who continue to support this ministries and others like it at First Gilbert through your faithful giving.

Continuing our partnership with Gilbert Elementary Schools

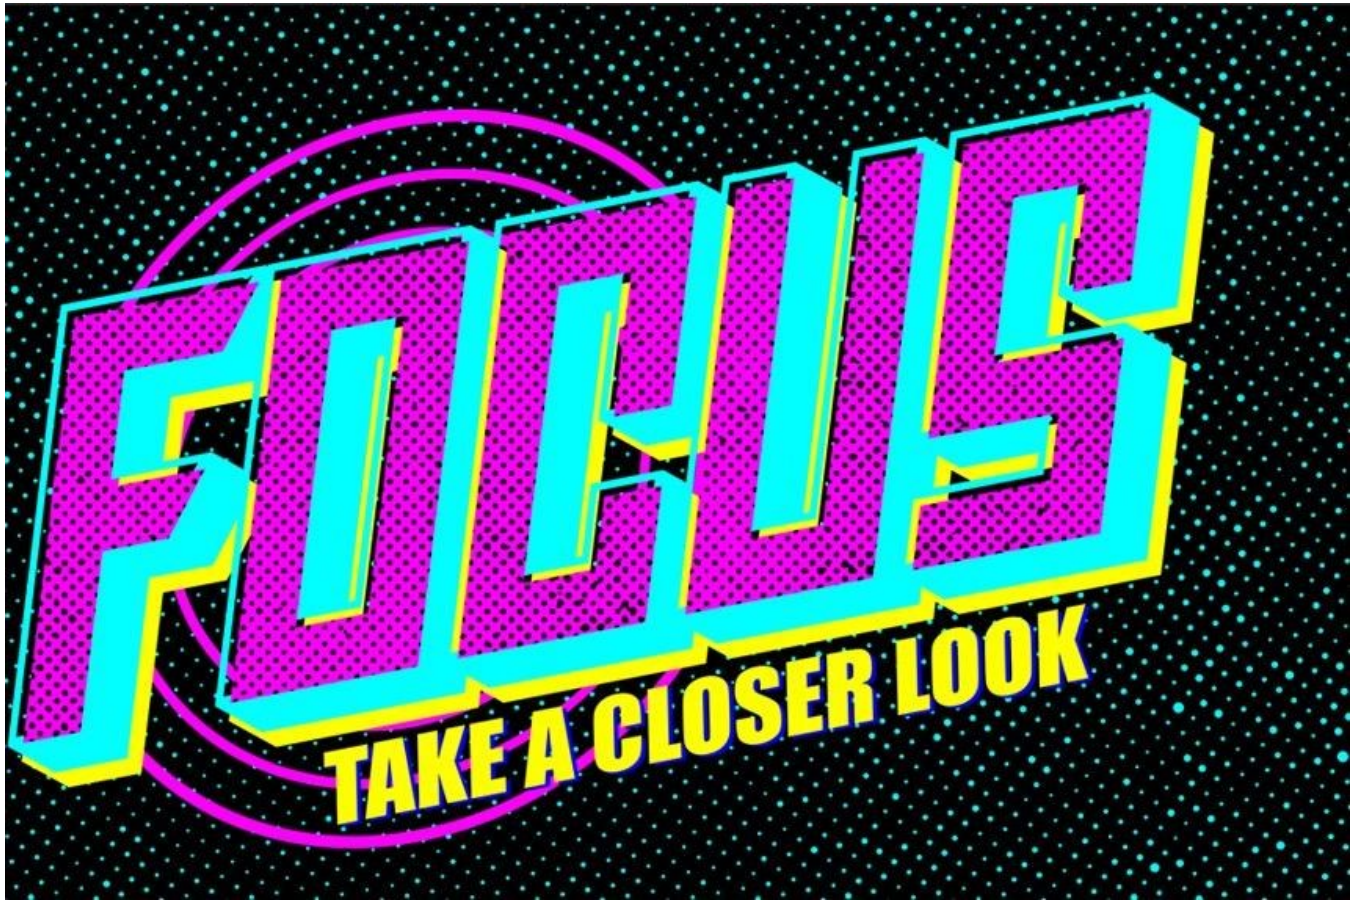

It is near the end of school and the need is great for the snacks to be replenished and the cupboard is in need of filling up. So here are the pictures of the of the delivery to the school. And again you exceeded our expectations. THANK YOU so very much on behalf of the children of Gilbert!

Purses for Moms Update

Thank you so much to all of you who supported our Mother's Day Purse Drive. We were able to collect 75 purses! We donated the fully packed purses to the UMOM women's shelter on Thursday, just in time for mother's day. Thank you to Stacy Cantwell and the missions team for their leadership. Thank you to all the donor that continue to support this important ministry and the other ministries like it here at First Gilbert.

Thank you from the Mission Team at 1st UMCog.

@gilpreschool

Thank you!

We have been teaching preschoolers since 2005 here at church! Each class has been treasured and such a JOY to teach! What a blessing to have this ministry at our church. Thank you to all of the people who support and encourage us!

Last Month!

During our last few weeks in school, we enjoyed a beautiful end of year performance in the sanctuary. Thank you Pastor Rick for starting us off in prayer! The children sang Patriotic theme songs for their loved ones, recited bible verses that they'd been learning all year, watched a slideshow that included all the students in the school and then enjoyed a cookie in the courtyard!

Preschoolers also shared a beautiful spring morning together with their moms! Muffins with Moms was a big hit! All classes shared a morning snack in the grassy courtyard and the children gave their mothers a gift that they had made. Everyone had a wonderful time together!

Registration for 2021-2022

At this time all our classes are full. However, we do have a waitlist started for each class and will continue offering tours. Sometimes plans change over the summer and spots open up. Please continue to share with others about our preschool. Our program teaches children about Jesus' love and prepares them academically, socially and emotionally for elementary school. Check out our website at www.gilbertumcpreschool.com or call 480 892 9166 for more information!

Details about the start of the school year

Enrolled students will receive an email in early July about class placement, Open House and the first days of school. We are already excited to begin another awesome year of preschool!

Summer Fun Ideas

Spending time together is the most special part of the summer! Keep the activities simple and just enjoy them.

- Blow Bubbles
- Go on a Nature walk in the morning and find each of the colors of the rainbow
- Paint with water on the back porch
- Have a dance party!
- Make a cave or fort by covering the kitchen table with several sheets, have a picnic in there!
- Make Moon Sand

DIY Moon Sand Instructions:

BASIC SUPPLIES:

- Flour (or rice flour for a gluten-free option)
- Oil (most tutorials online suggest baby oil, but if you're worried about your kids putting this in their mouths, coconut and vegetable oils work exactly the same way and are taste-safe)

OPTIONAL SUPPLIES:

- Food coloring or kool-aid packets (2-3 packets for every 2 cups of flour for bright, vibrant colors)

ADDITIONAL SUPPLIES FOR PLAY:

- Buckets, pails
- Sand and water toys
- Toy cars and trucks

DIY Moon Sand Instructions:

* Mix the ingredients in a large bowl

You want an 8:1 ratio of flour to oil. So 4 cups flour and 1/2 cup oil, 8 cups flour and 1 cup oil, etc. Mix them together (with color if desired) until the flour still feels silky and sandy, but will hold a shape if you squeeze it in your hands.

- ◆ Move to a large bin or tray
- ◆ Pour your moon sand into a large bin or tray for indoor or outdoor play
- ◆ Add toys and play!

You can use this as a fun sensory experience all on its own, or add tools or toys to a bin or tray for play. When playtime has ended, store your moon sand in an airtight container to play with later.

If you have any questions about the preschool, please email preschool@gilbertumc.org or call 480-892-9166. Directors Lora Norris or Betsy Marlinga would love to speak with you!

DESCRIPTION:

The older we get, the harder it is to know who or what we can trust. That is why we want preschoolers to know that there is Someone they can trust, at all times, in all circumstances, whatever He says, whatever He does. They can trust God, no matter what, and so can we .
