## \*Opening Prayer

God of light, we come tired and weary, carrying many burdens. We come wondering if you are even here. We come seeking your face, seeking your love. In this moment, Holy One, open our hearts to the mystery of your love. Remind us that you are always with us and that you never leave us. Reassure us that you love us, even as you invite us to love one another. In this time and space, may we say “yes” to you. In the name of Christ, we pray. Amen.

**\*Offering Prayer**

Holy God, as we present our tithes and offerings in worship, we know we come from a world that is tearing itself apart due to division. Even among your followers, we find ourselves shutting down and closing ourselves to those who don't think or act as we do. We need to be reminded that you desire unity and one mind from your children—not a church void of disagreement, but one where we work at listening in love more than working at speaking louder and winning the day. We dedicate not just our gifts but our minds to the work of your unifying love. In Christ, we pray. Amen.
