**Please make plans to join us next year! It was cool and we cooked and enjoyed each others fellowship and had a wonderful time. Sunday we had a service before we left the campsite! With Marty playing the autoharp, we sang the songs and read the same bible verses to worship Our Lord together!**

## Calling all 2024 Graduates

I am sharing the information below with all of you, in case you know of any other families with 2024 Graduates who we might need to reach out to, to include their High School Senior/College Senior, in our Grad Sunday celebration in May! If the grad wasn't active in the church and it's a proud grandparent who would like their grandchild honored, we will include their info, a photo, and send them a card. They are, of course, welcome and encouraged to attend church that Sunday as well (but we don't need all the other photos... that's really just for youth who have been active in the church over the years). I hope this is helpful if anyone reaches out to you about a 2024 Grad. Please let me know who I might be missing. Thank you for your support of our young people and helping to celebrate this milestone in their lives!

## Mission Update May 2024! By Joyce Steiner, Mission Chair

May has arrived and Mother's Day looms on the horizon. Our drive to collect purses for homeless women will have wrapped up by the time you read this. In fact, we are happy to give the update that 108 purses were delivered to UMOM warehouse in Phoenix. The purses were each filled with items that will make the recipient very happy. The congregation did an amazing job of providing the purses, the contents, and also some donations towards the project. Thank you for making this happen!

Yes, May is here. The calendar tells us summer is still more than a month away. However, it clearly feels like summer has already arrived. A few Arizonans actually like the heat while most of us tolerate it by reminding ourselves about the mild winters here. For a good number of people, however, the summer heat is more than something to be tolerated. It is life-threatening. Indeed, last summer's extreme temperatures

resulted in 645 heat-related deaths in Maricopa County. Most of the people succumbing to the heat were homeless. However, many had homes, but were unable to cool them adequately. That number would have been far greater had there been no hydration stations and no people willing to donate water.

This year no doubt will be another hot summer and the need for bottled water will be great. Our church will join in the effort to minimize the number of heat-related deaths by contributing bottled water for use by the hydration station at Justa Center in Phoenix. It is a Methodist supported charity that provides day programming for homeless people over fifty. During the summer, it also serves as a hydration station for people of all ages. By contributing water to this effort, we are serving as instruments of God's love and helping to extend the Kingdom of God on earth.

Collection of the water will begin in June and go throughout the summer. In lieu of water, cash donations can be made. Here is also the option to contribute on line at the church website. Water can be dropped off in the Narthex or the Activity center.

Thanks all of you for being so willing to be instruments in God's orchestra of Love.

Our church continues to support the children of Gilbert Elementary School. We are collecting funds for Trapper Keepers, school supplies and snacks. This annual drive helps funds of assistance that lasts the entire school year. We will be collecting for this project June 16—July 21. School begins July 23rd!

Missions team is collecting bottled water for distribution to local Cooling Centers. As temperatures in Arizona jump into the 100+, homeless people seek Cooling Centers for hydration and care. Bottled water can be dropped off at church on any Sunday in May—July.

## Adult Ministry Studies

### **Choir Sunday School**

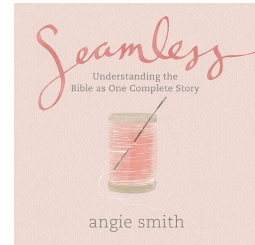

Sundays at 9:45am in room 130, the choir meets weekly. This group facilitates their own bible study. Although primarily choir members, anyone is welcome to join them.

### **Seamless by Angie Smith**

#### **Understanding the Bible as One Complete Story**

We continue this Bible Study in May. Angie Smith's Seamless offers us a study on the people, places, and promises of the Bible. She ties them together into the greater story of Scripture. Experience the Bible as a whole as you gain clarity and confidence in your understanding of Scripture. Discover a biblical context that reshapes and brings to life stories from the Old and New Testaments. Class is led by Pastor Adriana Hernandez on Sundays at 11am in person in room 136. May class dates are 5/5, 5/19, and 5/26. Please note there is no class planned for Mother's Day on 5/12.

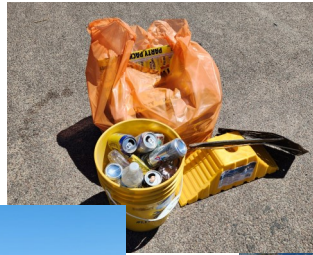

## Easter Pancake Breakfast

**Thank you for Your Support Our Youth!**

## The Church has left the building.....

**"The church has left the building"...** on Sunday April 7th, the youth volunteered with a local community group, the "Litter Critters", to help with Highway cleanup, picking up trash and litter, up and down a 1 mile stretch of Bush Hwy in NE Mesa. Our very environmentally focused youth also took the opportunity to pull as much invasive "stinknet" plants as possible, as well. We were all surprised how tired we were, but the weather was lovely, and always good company!

**REGISTER NOW!**

We still have a few openings in both our 3's and Pre-K programs for the 2024-2025 school year. We feel very blessed and excited for the new and returning families that will be with us next year. We would love to offer tours to any interested families. Please spread the word if you know of anyone looking for a preschool.

## What have we been up to? April:

Our preschoolers had a busy month. We celebrated Easter and had a special chapel in the garden. We learned all about insects. Each class had real caterpillars come to the classroom for some up close investigating and watching the stages of metamorphosis before releasing the butterflies into our garden. We also had fun planting sunflower seeds in the preschool garden. We ended the month with an ice cream party!

## May:

During the month of May we will learn about the letter **Mm**. We will learn about Moses in the bible and celebrate our amazing moms with a special "Muffins with Mom" breakfast. The children will be making special ocean animal t-shirts and learning songs for our "Under the Sea" program at the end of the school year. The children love performing and we are excited they will have the opportunity to show off their hard work. We will end the school year with the letter **Oo** for Ocean and learn all about the interesting ocean creatures God made. The last day of school the children will enjoy cooling off from the warm weather with a fun water day.

## Spring Project Fun

Grab a paper plate and add a few different colors of paint. Let the kids use plastic forks to stamp different color tulips.

Join us for this weekly study Forgive by Timothy Keller including discussion and self study. Starting June 11th at 9:15am social time 9:30a-11:15a study time. If nursery care is needed please contact Sonja Ruhland.

Pastor and New York Times bestselling author Timothy Keller outlines the reasons why forgiveness has to be a central part of everyone's lives.

"To err is human, to forgive divine," has long been aspirational. But our complicated modern world has questioned the benefits of forgiveness. Timothy Keller passionately defends the central role forgiveness has to play in our lives, and shows readers how and why forgiveness is the only way forward in an imperfect world.

Forgiving anyone in a meaningful way is one of the hardest things a person can do. If you do not forgive, resentment and vengeance consume you. It is impossible to move past transgression without forgiveness, but few people have the resources and the tools to forgive others fully and move on with their lives. Forgiveness is an essential skill, a moral imperative, and a religious belief that cuts right to the core of what it means to be human. In *Forgive*, Timothy Keller shows readers why it is so important and how to do it, explaining in detail the steps you need to take in order to move on without sacrificing either justice or your humanity.

## Grief Share Support Group

For those grieving the loss of someone close to them. This support group is led by Kay Pealstrom. She can be contacted at: [kay.pealstrom@gmail.com](mailto:kay.pealstrom@gmail.com)

Kay is the resource for registration, information on obtaining materials and sharing the zoom information for the session. The support group meets on Saturday mornings from 8:30am-10am. New class starts May 4, 2024.

## Prayer Shawl Ministry

If you have a gift for crocheting prayer shawls, we could use your help! In particular, we are in need of shawls for babies, children and men. Your design, your talents, and your time is greatly appreciated for this ministry.

Completed shawls can be dropped off at the church office. There are tags that can be placed on the shawl so the recipient knows who created and prayed over the shawl for them.

## Caring for Others

Here at First UMC Gilbert, we have a vibrant team that prays, visits, and supports those who need support and care. Many of us are taking care of others within our family or neighborhood. Thank you for all you do! We are called to love our neighbor. That love comes in different forms. If you are in a season of taking care of a loved one, this is a friendly reminder that you are loved and that this season is one that God is taking care of you.

We can not serve others when our own body and spirit feels tired and out of energy. Please find time to practice self-care. In the Bible there are some prime examples. Jesus found times of solitude time to pray and replenish. "Cast all your anxiety on him, because he cares for you." 1 Peter 5:7. Praying for you to find time for a peaceful walk, listen to music, or a cup of tea with a friend. Please reach out if you need additional support!

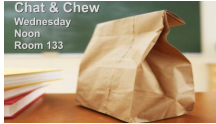

*For more information about groups and other support available, please contact Pastor Adriana at [pastoradriana@gilbertumc.org](mailto:pastoradriana@gilbertumc.org) or 480-892-9166*
